- 3.5 Filling up of Department Manager Position for the Office of Internal Audit

4. **Acting as Risk Management Committee.** The BRC acting as RMC endorsed to the PSALM Board the Report on PSALM's Implementation of the Enterprise Risk Management (ERM) for CY2020 on 09 March 2021 Meeting.

PSALM's ERM System was established to ensure good governance practices at the strategic and operational levels and compliance with the requirements of oversight agencies. The strategic level ERM covers all risks associated to fulfilling PSALM's corporate objectives and mandates as indicated in the agency's corporate plan and performance scorecard. On the other hand, the operational level ERM covers all risks associated with the fulfillment of all business process objectives contributing to the attainment of corporate objectives. The Report highlighted PSALM's top strategic risks and the corresponding treatment plan as well as the top opportunities and action plan.
