

## PSALM ADVISORY TO STAKEHOLDERS RE BILLINGS 6 May 2020

The Power Sector Assets and Liabilities Management Corporation (“PSALM”) earlier issued its Advisories to Stakeholders dated 26 March 2020, 2 April and 17 April 2020 (“PSALM Advisories”) pursuant to the Government’s declaration of a State of Calamity throughout the Philippines in Proclamation No. 929 dated 16 March 2020, the advisories of the Energy Regulatory Commission (“ERC”) dated 17 and 26 March 2020 and 15 April 2020, and the advisories of the Department of Energy (“DOE”) dated 18 and 23 March 2020 and 16 April 2020 (“ERC and DOE Advisories”).

Pursuant to Executive Order No. 112 dated 30 April 2020, the enhanced community quarantine (“ECQ”) in the National Capital Region (NCR) and in high risk geographical areas in Luzon, Visayas and Mindanao has been extended up to 15 May 2020 by President Rodrigo Roa Duterte to curb the spread of the Coronavirus Disease 2019 (“COVID-19”). The ERC then issued its Advisory dated 5 May 2020, amending some items in its Advisory dated 15 April 2020.

The pertinent dates and deadlines mentioned in the PSALM Advisory dated 17 April 2020 shall continue to be effective and applicable to all its power customers, Universal Charge (UC) collecting entities (CEs) and IPPAs operating in areas that are placed under General Community Quarantine (GCQ) starting 1 May 2020.

Meanwhile, in order to implement the ERC Advisory dated 5 May 2020, PSALM hereby issues the following policies that shall be applicable only to those power customers, UC CEs and IPPAs that continue to be under ECQ from 1 May 2020 up to 15 May 2020:

1. Payment of all fees to PSALM on regular power bills (PB), Deferred Accounting Adjustments (DAA) on GRAM and ICERA, ACRM True-up Adjustments, remittances entitled to prompt payment discount (PPD), Restructured Accounts (RA) on power, and Ancillary Services (AS) payments due from the National Grid Corporation of the Philippines (NGCP), falling due during the ECQ period of up to 15 May 2020, shall be entitled to a grace period, without imposing any interest and penalties, following the extended due dates as indicated below. For this purpose, the accumulated (deferred) amount of payments to PSALM falling due within the ECQ shall be amortized in four (4) equal monthly installments, payable in the four (4) succeeding billing months following the end of the ECQ. The installments shall be reflected as a separate item in the PSALM billings due on those succeeding months.

The Table below provides the details of PSALM’s power and ancillary services billings within the ECQ period and their corresponding extended due dates:

The PPD shall apply to both the current power bill including deferred GRAM and ICERA and ACRM true-up adjustments, and deferred power bill and DAA/ACRM amounts, falling due on 15 March to 15 May 2020, if these are remitted to PSALM in full on the due dates indicated above for PPD. Those who opt to pay the deferred power bill and DAA/ACRM amounts in four (4) equal installments will no longer be entitled to avail of the PPD.

Billings with due dates not falling within the ECQ period of up to 15 May 2020 and not covered by the DOE Advisories and ERC Advisories shall thus follow the original due dates, and the failure to pay on or before such original due dates shall incur interests and penalties pursuant to existing agreements and in accordance with the credit and collection policies of PSALM. This is based not just on the ERC and DOE Advisories but also on the relevant provisions of the contracts with PSALM including the *force majeure* provisions.

- For the Universal Charges (UC) collected by Collecting Entities (CEs) that are in the areas covered by the ECQ up to 15 May 2020 covering Missionary Electrification (ME), Environmental Charge for Watershed Rehabilitation and Management (EC) and Stranded Debts (SD), to be remitted to PSALM as the UC Administrator, the CEs are expected to implement the same grace period and payment scheme, as provided in item 1 above, to all electricity end-users in compliance with the ERC and DOE Advisories re ECQ Extension. In this regard, PSALM shall likewise grant the same grace period to CEs, without imposing any interest and penalties, on UC remittances falling due within the ECQ period. In turn, PSALM's disbursements thereof to UC beneficiaries falling due within the ECQ period shall also be following the same grace period or number of days as given to CEs. The UC remittances to PSALM and PSALM's disbursements of the UC remittances due during the ECQ Period of up to 15 May 2020 are provided in Tables 2 and 3 below:

UC remittances by CEs to PSALM and UC disbursements by PSALM to beneficiaries that are not falling due within the ECQ period of up to 15 May

2020, shall follow the usual due dates. The CEs' failure to pay on or before such due dates shall incur interests and penalties.

3. Anent the PSALM Advisory to its Stakeholders Re Submission of 2019 Universal Charge (UC) Annual Reports and March 2020 Billing, Collection/Remittance Reports and Special Bank Receipts (SBRs) dated 02 April 2020, PSALM also hereby extends the deadlines for the submission of the following UC reports to those CEs that operate in areas under ECQ up to 15 May 2020:

**TABLE 4: Extended Deadlines for the Submission of UC Reports**

Period	UC Reports	Original Due Date	Extended Due Date
CY 2019	Annual Audit Report	30 April 2020	1 June 2020
February 2020	Billing Report	20 March 2020	1 June 2020
	Collection/Remittance and SBRs Reports	16 March 2020	
March 2020	Billing Reports	20 April 2020	1 June 2020
	Collection/Remittance and SBRs Reports	15 April 2020	
April 2020	Billing Reports	20 May 2020	1 June 2020
	Collection/Remittance and SBRs Reports	15 May 2020	1 June 2020

Deadlines for the submission of reports to PSALM that are not falling due within the ECQ period shall follow the usual due dates, and failure to submit on or before such due dates shall incur interests and penalties.

4. Due dates for payments of Independent Power Producer Administrators (IPPAs) to PSALM that fell due after the issuance of the PSALM Advisory of 26 March 2020 and up to 14 April 2020, for both capacity and energy payments, were extended by the said PSALM advisory. Subsequently, all payments of IPPAs to PSALM were extended by the PSALM Advisory dated 17 April 2020. Thus, for clarity, all IPPAs shall continue to follow the deadlines mentioned in the PSALM Advisory dated 17 April 2020. It is only when it can be sufficiently shown to the satisfaction of PSALM that an IPPA supplies electric energy to a DU that serves an area that remains under ECQ beyond 30 April 2020, that a proportionate amount of the payments due PSALM from the said IPPA can be deferred and subjected to the extensions mentioned in this latest PSALM Advisory. To be clear, payments from DUs that serve areas that are no longer under ECQ beyond 30 April 2020 shall correspondingly be remitted by these IPPAs to PSALM no later than the extended deadlines mentioned in the PSALM Advisory dated 17 April 2020.
5. Consistent with the ERC and DOE Advisories intending to lessen the impact of the grace period given to electricity power industry stakeholders and to help manage the cashflow in the energy supply chain to ensure the continuous supply of electricity, PSALM strongly reiterates its requirement to power

customers, CEs, NGCP and IPPAs to immediately remit to PSALM any proportionate amounts that they may have already collected from their own customers, if any, without awaiting the extended due dates provided in Items 1 and 2 above. Customers who have the ability to pay are encouraged to continue to timely settle their bills with PSALM within the original due dates.

Matters contained in the PSALM Advisories of 26 March 2020 and 02 and 17 April 2020 that are not amended by, or inconsistent with, this Advisory shall remain valid. The PSALM Advisory dated 17 April 2020 shall be applicable to those power customers, UC CEs and IPPAs operating in areas under ECQ up to 30 April 2020, while this instant PSALM Advisory shall be applicable to those operating in NCR and in high risk areas in Luzon, Visayas and Mindanao that continue to be under ECQ until 15 May 2020.

PSALM will issue the necessary supplemental or amendatory advisories should there be further updates or amendment to the Advisories issued by the ERC and DOE, or if there are instructions or decisions that will be issued by the PSALM Board of Directors relative to the Advisories of PSALM.

Signed this on 6 May 2020 in Quezon City, Philippines.
