In this regard, bids that fail to include any requirement or are incomplete or patently insufficient shall be considered as "failed". Otherwise, the BAC shall rate the Bidder "passed" in relation to the eligibility and technical documents in the first PDF file.
6. Immediately after determining compliance with the requirements in the first PDF file, the BAC shall open the electronically submitted second PDF file of each eligible Bidder whose first PDF file was rated "passed." The second PDF file of each complying Bidder shall be opened within the same day.
7. The BAC shall thereafter proceed to decrypt the electronic Second PDF file of each On-line Bidders whose electronic first PDF file was rated "passed" to determine each Bidder's compliance with the required financial documents.
8. In case one or more of the requirements in the second PDF file of a particular bid is missing, incomplete or patently insufficient, and/or if the submitted total bid price exceeds the ABC, the BAC shall rate the bid concerned as "failed".
9. Only bids that are determined to contain all the bid requirements for both components shall be rated "passed" and shall immediately be considered for evaluation and comparison.

The BAC shall then:

- a. Record all the financial bids but should not be visible to all participants.
- b. After all the financial bids were recorded, the BAC finally shows the financial bids of all bidders and declare who among the bidder is the lowest bidder.
