The BAC then proceeded with the pre-bid conference.

2. Presentation of the Bidding Document and Clarification from the Bidder

- The TWG presented and discussed the Bidding Documents.
- The following are the questions/clarifications from Hi-Precision and the responses of the TWG:

Bidder's Representative	Question/Clarification	TWG's Response
Mr. Dy	On Special Lane, during the pandemic there is a triage. Will you require special lane for the triage?	Special lane can be designated after going through the triage. This is to limit the exposure of the employees in the diagnostic lane.
	Will a designated personnel for PSALM to conduct monitoring suffice since there are still private patients undergoing tests? Special lane for PSALM will not be feasible.	Contact person on the scheduling is really required. It is advised that the bidder work on the requirement.
	What format will be used for analysis report?	No specific format for the comprehensive demographic report or summative report on the health status of the employee.
	How about concerns on data privacy?	We understand that all employees of the Hi-Precision executed a non-disclosure agreement; hence, details of the employees including results will be safe.
	Will a male doctor (General Practitioner) still be required?	Yes, for the conduct of rectal examination for male employees.
	Will the requirement for a male doctor be waived since female doctor can also perform rectal examination to male employees?	Provision will be checked.

Ms. Santos	On Special Requirements, only 1 personnel who can do 2D-Echo. Our facility has only one room for both ECG and Ultrasound and 1 female employee performing the test.	Requirements are at least two each of the following: 2D-Echo machines, ECG machines, and ultrasound machines. The requirements are for contingency measure in case the machines broke down and to ensure that employees will be accommodated.
	Is it possible to determine the 44 female patients or is it being deducted from the number who will undergo breast ultrasound?	The list who will undergo mammogram will be based on the age group.
	For TVS, is it acceptable that this is done depending on the availability to the OB-Gynecologist?	This is workable.
	Is the submission online or still hardcopy using the two-envelope system?	The BAC Secretariat. on behalf of the TWG, advised the bidder to refer to the Invitation to Bid and the Annex A of the Bidding Documents.
