Opening of Bids

1. The BAC shall open the bids immediately after the deadline for submission and receipt of bids, and on the bid opening date.
2. During the bid opening, the BAC will make use of appropriate teleconferencing software wherein all bidders are invited to participate including the observers.
3. Before the decryption of electronic bids, the Bidder shall confirm that what the BAC received and what the BAC is about to open is the same file that the Bidder uploaded.

4. The passwords for accessing the files will be disclosed by the Bidder only during the actual bid opening through videoconferencing, webcasting or similar technology. If the password fails to open the file, the Bidder should be given only three tries until the BAC could declare it to be disqualified.
5. The BAC shall open the first PDF file of the Bidder who submitted bids electronically to determine each Bidder's compliance with the documents required to be submitted for eligibility, that is, legal, technical and financial eligibility documents; and for the technical requirements. For this purpose, the BAC shall check the submitted documents of each Bidder against a checklist of required documents to ascertain if they are all present, using a non-discretionary "pass/fail" criterion. If a Bidder submits the required document, it shall be rated "passed" for that particular requirement. In this regard, bids that fail to include any requirement or are incomplete or patently insufficient shall be considered as "failed". Otherwise, the BAC shall rate the Bidder "passed" in relation to the eligibility and technical documents in the first PDF file.
6. Immediately after determining compliance with the requirements in the first PDF file, the BAC shall open the electronically submitted second PDF file of each eligible Bidder whose first PDF file was rated "passed." The second PDF file of each complying Bidder shall be opened within the same day.
7. The BAC shall thereafter proceed to decrypt the electronic Second PDF file of each On-line Bidders whose electronic first PDF file was rated "passed" to determine each Bidder's compliance with the required financial documents.
8. In case one or more of the requirements in the second PDF file of a particular bid is missing, incomplete or patently insufficient, and/or if the submitted total bid price exceeds the ABC, the BAC shall rate the bid concerned as "failed".
9. Only bids that are determined to contain all the bid requirements for both components shall be rated "passed" and shall immediately be considered for evaluation and comparison.

The BAC shall then:

- a. Record all the financial bids but should not be visible to all participants.
- b. After all the financial bids were recorded, the BAC finally shows the financial bids of all bidders and declare who among the bidder is the lowest bidder.
