For this purpose, the BAC shall check the submitted documents of each Bidder against a checklist of required documents to ascertain if they are all present, using a non-discretionary **"pass/fail" criterion. If a Bidder submits the required document, it shall be rated "passed" for that particular requirement. In this regard, bids that fail to include any requirement or are incomplete or patently insufficient shall be considered as "failed". Otherwise, the BAC shall rate the Bidder "passed" in relation to the eligibility and technical documents in the first PDF file.**

9. Only bids that are determined to contain all the bid requirements for both **components shall be rated "passed" and shall immediately be considered for evaluation and comparison.**

The BAC shall then:

- a. Record all the financial bids but should not be visible to all participants.
- b. After all the financial bids were recorded, the BAC finally shows the financial bids of all bidders and declare who among the bidder is the lowest bidder.
